The KCC campus community is invited to participate in this year’s Sustainability in Higher Education Summit. The Summit will be live streamed and shown in the 220 Grille.

Coffee and snacks provided in the morning. Thursday lunch available for purchase as part of the 220 Grille regular service. Friday, bring your own bag lunch.

Sponsored by the UH System Office for Sustainability, the KCC Faculty Senate Sustainability Committee, the KCC Campus Sustainability and Climate Action Implementers (CSCAI), and the KCC Culinary Arts Program.
