New Business

CTE Civil Rights Audit – Louise P. and guests
Discussion on ensuring that the CTE civil rights response is ready for submission on June 19.

Integrated Student Support (ISS) – Brenda I. and Veronica Ogata
- Focus is on advising redesign and infusing technology to better retain our students and guide them through graduation.
  - What is our current process in admissions and entry?
  - What are the areas that need improvement and what is the ideal process?
    - Make a friendly accessible website.
    - Produce an easy application by removing health clearances until later in the process so that students can be registered.
  - How do we realign our vision with what we currently have?
    - To be completed by the end of the summer.
  - How do we create the ideal experience for students?
- In the last 5 years, there were 2,500 students that took at least 1-2 courses and left KCC with a 2.0 – 4.0 GPA. The average GPA was 3.8. 50% of these students had left within the last 3 years and did not return.
  - What happened to these students?
  - What were their experiences at the College?
  - How do we help each other?

FELI – Brenda I. and guests
Guests were invited to share their experiences about the Five-Day Experiential Learning Institute (FELI) training they received these last couple of weeks.

Admin Updates
- Joanne will send the draft agenda for the retreat.
- Brenda thanked everyone for participating in the NASAI last week. Many positive feedback were received by attendees.
