Sustainability Across the Curriculum

All faculty welcome!

Date: Friday, October 9, 2020, 10-12pm

- Learn about a Sustainability Designation for your class or adding a sustainability-related project. Click here to access the S-Designation Intake Form.
- Talk story with sustainability committee members and S-Designated faculty to find sustainability connections in your class.
- Help students to connect their learning across disciplines.
- Promote your course to motivate students with an interest in sustainability.
